## Year of the Tiger

### A Talk on Fung Shui 風水講座

Fung Shui is a part of our tradition and an appreciation of the Chinese culture. Many of us may find it interesting to learn what lies ahead of us in the year of the Tiger and how we may adjust our surroundings to achieve peace and harmony. The Marine Insurance Club will be holding a Fung Shui Talk through Zoom at **6pm on Thursday, 05 May 2022**. All members and friends are cordially invited to join.

We are delighted to have Mr. Andrew Law once again to kindly give a talk on Fung Shui for the new year of the Tiger. We hope you will be interested to join as we may be able to get some useful tips or advice for the current year.

As a brief introduction of our speaker, Andrew had been a marine insurance broker for over 30 years, holding various positions in international insurance broking companies as well as in a Chinese state owned insurance broking company. He is now working with Shipowners P&I Club as their Hong Kong Branch Chief Executive.

Apart from marine insurance, Andrew is also interested in "Fung Shui" studies and has been holding classes on "Zi Wei Dou Shu" (紫微斗數) for many years. He has been the President of the Hong Kong Fung Shui Society since 2004.

The talk will last for about an hour. There will be no charge for this event. Non-members are also welcome.
