Acceptance will be on a first come first served basis (up to 100 participants).

One of the widely discussed topics in marine/energy insurance these days is wind-farm installation vessels and their related risks. This type of vessels created difficult times for some insurers and it is time to review and reconsider policies to best fit relevant insurances. On the other hand, the industry has been hit by COVID-19, Russia-Ukraine war and other issues recently and there are some implications in the insurance coverages.

MARINE INSURANCE CLUB LTD.
