There were some maritime cybersecurity incidents happened in recent years, even the industry leader cannot be exempted from it. These issues generated a certain level of concern in the maritime industry on how to deal with this kind of problem.

Marine Insurance Club is delighted to invite Robert Dorey, CEO of Astaara Group, partner of West of England P&I to offer a webinar on introduction of marine cyber risks and its coverage.

The webinar will be split in two sections:

- Why does cyber and marine matter?
- What does cyber insurance cover?
